

## Vision

Recognized leaders in the development, delivery, and influence of exceptional, safe and wholistic care.

## Mission

The All Nations' Healing Hospital delivers safe, wholistic health services and research to meet the needs of our communities. Specifically, ANHH provides services in the areas of acute and chronic health care and women's health.

## Values

- Respectful, compassionate service that understands client needs
- Partnerships based on mutually desirable outcomes
- Confidentiality and accessibility
- Recognize and exercise the Treaty Right to Health
- Innovation
- Fostering independence
- Accountability, honesty and integrity
