

All Nations Healing Hospital

HELIPORT FUNDRAISER

STARS Air Ambulance has been operating in Saskatchewan since 2012 with hundreds of landings at All Nations Healing Hospital.

With your help, we as a **Community Building Together** can make a permanent Heliport possible and continue to save lives.

Proposed Fort Qu'Appelle Helipad

All Nations Healing Hospital has contracted **Ground Effects Aerodrome** who has built most of the **STARS** Helipads across Western Canada and will be responsible for design, construction, and working with Transport Canada on the licensing of the permanent helipad, which will be adjacent to the hospital entrance, where the current temporary landing zone exists.
