PASIKOW MUSKWA RISING BEAR HEALING CENTRE

All Nations'
Healing Hospital

PROGRAM GOALS

- To improve access to culturally safe care for individuals, families and communities that is innovative, diverse and respectful of various ways of knowing
- To enhance community engagement, prevention, early detection, and active self-management across the continuum of care for Kidney Wellness
- To support, strengthen and facilitate cultural healing through Traditional and Spiritual Institutes

WHAT WE DO

Pasikow Muskwa Rising Bear Healing Centre is a culturally enhanced Chronic Kidney Wellness Initiative. The centre provides wholistic services for individuals, families and communities and includes traditional healing practices and/or clinical health services

OVERVIEW

Pasikow Muskwa Rising Bear Healing Centre's philosophy is guided by the First Nations' Leadership vision to ensure ALL are welcome, respected, and empowered in meeting their holistic needs in achieving optimal health and well-being.

A multidisciplinary team provides chronic disease management, outreach services, early screening and detection for kidney disease, satellite hemodialysis, independent hemodialysis and support for home dialysis.

HEALTH CARE SERVICES:

Multidisciplinary chronic disease care, including but not limited to:

- Primary care services for conditions such as diabetes, high blood pressure, kidney disease, coronary artery disease, and cholesterol management
- Individual and family/group health education and counseling
- Dietitian and Diabetes Educator services
- Tele-health support
- Visiting specialists
- Outreach services and health clinics to surrounding communities
- 24 hour blood pressure monitoring
- Early detection and screening for kidney disease
- Outpatient procedures
- Satellite dialysis
- Independent dialysis suite

CLIENTS MAY BE REFERRED BY THEIR PRIMARY CARE PROVIDER, OTHER HEALTH CARE WORKERS, OR THROUGH MAKING THEIR OWN APPOINTMENT
