## WOMEN'S HEALTH CENTRE

### PROGRAM GOAL

Women's Health Centre's goal is to improve access to primary health care services for women.

*The Women's Health Centre's philosophy is guided by the organizational goal of the All Nations' Healing Hospital to ensure all who enter here are welcome, respected and supported in meeting their health and wellness needs.*

### WHAT WE DO

Provide comprehensive services that focus on improving access to preventative health care for women. In a safe environment reproductive health care is available to meet the needs of the women, with Nurse Practitioners to manage and treat health concerns unique to women across the life span.
