ALL NATIONS' HEALING HOSPITAL

MISSION

The All Nations Healing Hospital delivers safe, wholistic health services, and research to meet the needs of our communities. Specifically, ANHH provides primary, acute, and chronic health care and women's health services.

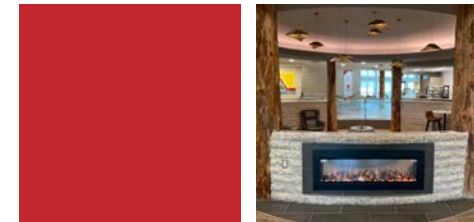

VISION

We aspire to be a globally recognized model in harmonizing Indigenous and Western health care that more effectively improves the health and wellbeing of our diverse communities.

VALUES

The behaviours we strive for in interactions with our clients, communities, stakeholders, and colleagues.

- Positive and humanizing interactions
- Supportive and understanding
- Respectful and compassionate
- Honesty and integrity
- Cultural humility
